No. 266 Bangalore City, 26th/27 March 1909

Encls. two

From

The Secretary, New Extension Committee,
Bangalore City

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments,
BANGALORE

Sir,

I am desired by the New Extension Committee to submit, for the orders of Government, an application dated the 20th Instant from Mr S Sajjan Rao, Yarn and Silver Merchant, one of the leading members of the Mahratta Community in Bangalore, asking for a free grant of about 5 Acres of land somewhere near the Southern Fort gate for founding a Free Boarding House in the City of Bangalore for the benefit of his community

2 Mr Venkata Rao, a deceased maternal uncle of Mr Sajjan Rao, is stated to have left Rs 40,000/- for this purpose The petitioner is prepared to construct the building at his own cost, leaving the 40,000/- Rs untouched and devoting it for the maintenance &c , of the House The proposed institution may therefore be said to have a promising career before it

3. ' The Mahratta population in Mysore is, according to the last Census, 52,000. It is comparatively a backward class in point of education, though not in other respects.

4 The idea of opening a Boarding House for school-going boys and children of this community is highly commendable and worthy of encouragement at the hands of Government

5 The difficulty is about the site for the House, as we have so many applications on hand for other similar public purposes The Committee, have, however, been able to solve the difficulty by selecting about 2 Acres and 33 Guntas of land in the New Extension i e the land lying to the West of the East Boundary Road of the Matt Extension and they would recommend its grant free of cost A sketch of the locality is, hereto, attached

6 This site is proposed to be given on the following conditions -

(i) That the proposed building should be constructed within two years from the date of sanction, and

(ii) that should the said building be utilized for other than the Students' Home, it should be relinquished to Government free of cost

7 Mr Sajjan Rao has agreed to the above conditions and executed a Muchalika to that effect

I have the honour to be
Sir,
Your most obedient servant,

Secretary, New Extension
Committee, Bangalore City

B.V.

To

B. J. Kumaraswami Naik Esquire, B.A.,

President, Municipal Council,

Bangalore City.

Most Respected Sir,

The undersigned S. Sajjan Rao, Yarn and Silver Merchant, Bangalore City, begs leave to submit that his deceased maternal uncle Mr. Mahratta B. Venkata Rao, a well-known merchant of the City of Bangalore, has bequeathed nearly 40,000 rupees for the founding of a free Boarding House in Bangalore, with a view to extend education among the Mahrattas who are very backward in that direction.

(2) That in order to accomplish this laudable object contemplated by the deceased, the petitioner himself is cordially prepared to undertake the project and to meet the cost of raising a building required for the accommodation of nearly forty students for the present, leaving untouched the capital of Rs.40,000 referred to which is solely intended as an investment for defraying the expenses of feeding, clothing and educating the students.

(3) That under the foregoing circumstances, the petitioner respectfully begs that your Honour may be pleased to recommend to the Government of His Highness the Maharaja for the free grant of a plot of ground, about 5 acres in extent, somewhere near the Southern Fort Gate for the purpose.

It may not be out of place to mention in this connection that a representation has also been made to the Dewan Saheb and the Councillors.

For which act of grace and generosity, the whole Mahratta Community would be ever grateful.

The petitioner beg to remain
etc

Sd/ S Sajjan Rao (in Kanji)

Bangalore.
20th March 1909.

President's remarks. P.T.O.

Vice President,

The petitioner has approved of a site marked in the annexed plan. It is bounded on the North East by the Eastern Boundary Road or otherwise called the parallel road of the new extension, on the South by the Basavangudi Northern Boundary Road, and on the North by a cross road of the new extension on the West by the diverted Basavangudi road. It measures a little less than 3 acres. As it lies within the limits of the new extension the matter may be placed before the President of the New Extension Committee for favour of orders.
